

Covid-19 & Boating

Exposure to Covid-19 is an inherent risk especially in any public location where people meet and gather. Although we are committed to ensuring the safety and well-being of our customers and staff, we cannot guarantee that you will not be exposed during your visit. The CDC recommends that people get fully vaccinated. Being fully vaccinated yourself may also protect people around you. According to the CDC, vaccines are safe and effective at protecting people from severe symptoms of Covid-19. The CDC recommends continued preventative measures for those not vaccinated. For the latest, up to date information please see: www.cdc.gov
